June 26, 2018

Dear Trav,

I am writing to inform you that I will be resigning from my Software Engineer position at JibJab. My last day of work will be Friday July 13th. I would like to thank you for having me as part of your team. I am proud to have worked for JibJab, and I greatly appreciate the friends I've made and the experiences I've had.

I have learned a lot working with Alex and the rest of the development teams; these skills will serve me well in the future. Please acknowledge this letter as my official notice of resignation. I will do my best to ensure that all of my projects are completed and ensure a smooth transition. I have been fortunate to have been a part of JibJab, and I wish you continued success.

Sincerely,

Nick Houghton
